wapi software license agreement

This Software License Agreement ("SLA") is a legal agreement between you (an individual developer or a company of software applications) and x32ram for the wapi libraries and/or API accompanying this SLA, which includes computer software and may include associated source code, media, printed materials, and "on-line" or electronic documentation ("wapi"). By installing, copying, or otherwise using wapi, you agree to be bound by the terms of this SLA. If you do not agree to the terms of this SLA, do not install, use, distribute in any manner, or replicate in any manner, any part, file or portion.

wapi is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. **wapi** is licensed, not sold.

1. **RIGOROUS ENFORCEMENT OF INTELLECTUAL PROPERTY RIGHTS.** If the licensed right of use for **wapi** is with any intent to reverse engineer, decompile, create derivative works, and the exploitation or unauthorized transfer of, any **x32ram** intellectual property and trade secrets, to include any exposed methods or source code where provided, no licensed right of use shall exist, and any products created as a result shall be judged illegal by definition of all applicable law. Any sale or resale of intellectual property or created derivatives so obtained will be prosecuted to the fullest extent of all local, federal and international law.

2. **GRANT OF LICENSE.** This SLA, if legally executed as defined herein, licenses and so grants you the following rights:

    A. **Developer License.** Developer License allows an individual developer or a team of developers to use **wapi** ("WING Application Programming Interface") provided by **x32ram** in any number of projects that he or she is, or they are working on.

    B. **Source Code License**. In addition to the license and rights granted above, **x32ram** grants you the right to use and modify the source for the programs only when you license source code which can be made available from **x32ram**.

        I. **x32ram** shall retain all right, title and interest in and to all updates, modifications, enhancements and derivative works, in whole or in part, of new **wapi** source code created by you, including all copyrights subsisting therein, to the extent such modifications, enhancements or derivative works contain copyrightable code or expression derived from the **x32ram** source code; provided, however, that **x32ram** grants to you a fully-paid, royalty free license, to use copy and modify such updates, modifications, enhancements and derivative works or copies thereof for use as authorized in this LICENSE.

        II. You may not distribute the **x32ram** source code, or any modified version or derivative work of **x32ram** source code, in source code form.

        III. **X32ram** require all developers in your project who plan to access **x32ram** source code signing on the source code license. As long as they signed, they become registered developers. An alternative to this is to let a delegate signs source code license as an organization. The delegate will be responsible for letting other developers who plan to access the source code reviewing this license agreement first before releasing them the access.

        IV. The source code contained herein and in related files is provided to registered developers for the purposes of education and troubleshooting. Under no circumstances may any portion of the source code be distributed, disclosed or otherwise made available to any third party without the express written consent of **x32ram**.

        V. Under no circumstances may the source code be used in whole or in part, as the basis for creating a product that provides the same, or substantially the same, functionality as any **x32ram** products.

VI. Developers acknowledge that this source code contains valuable and proprietary trade secrets of **x32ram**. Registered developers agree to expend every effort to insure its confidentiality. For example, under no circumstances may registered developers allow to put the source code on an internal network where he or she has no control.

VII. SOURCE CODE IS SOLD AS IS. **x32ram** DOES NOT PROVIDE ANY TECHNICAL SUPPORT FOR SOURCE CODE.

C. **Deployment License**. There is no deployment license fee for applications you develop using **wapi**. You must acknowledge using **x32ram**/**wapi** by showing **wapi** name and/or **x32ram** logo in about dialog, or splash screen or including this SLA in a license folder of your product release where has the licenses for all 3rd party libraries you are using or any other places where users can easily notice.

If you are unwilling to acknowledge using **x32ram**/**wapi** libraries, a one-time, perpetual deployment license fee will be applicable.

3. **DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.**

A. **Not for Resale Software. wapi** is labeled and provided as "Not for Resale" or "NFR", then, notwithstanding other sections of this SLA, you may not resell, distribute, or otherwise transfer for value or benefit in any manner, **wapi**. You may not transfer, rent, lease, lend, copy, modify, translate, sublicense, time-share or electronically transmit **wapi**, including media or documentation. This also applies to any and all intermediate files, source code, and compiled libraries.

B. **Expose APIs. wapi** is a software library. The exposed APIs is intended to be used by the licensed developers only. If such an exposing of APIs is unavoidable in your application or intended due to the nature of your application, please contact **x32ram** for a special agreement and possible extra charges to get such permission. Exposing the APIs to non-licensed developers without **x32ram** permission is strictly prohibited.

C. **Limitations on Reverse Engineering, Decompilation, and Disassembly.** You may not reverse engineer, decompile, create derivative works, modify, translate, or disassemble **wapi**, and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. You agree to take all reasonable, legal and appropriate measures to prohibit the illegal dissemination of **wapi** or any of its constituent parts and redistributables to the fullest extent of all applicable local, France Codes and International Laws.

D. **Rental.** You may not rent, lease, or lend **wapi**.

E. **Separation of Components, Constituent Parts and Redistributables. wapi** is licensed as a single product. **wapi** and its constituent parts and any provided redistributables may not be reverse engineered, decompiled, disassembled, nor placed for distribution, sale, or resale as individual creations by you or any individual not expressly given such permission by **x32ram**. The provision of source code, if included with **wapi**, does not constitute transfer of any legal rights to such code, and resale or distribution of all or any portion of all source code and intellectual property will be prosecuted to the fullest extent of all applicable local, federal and international laws. All **x32ram** libraries, source code, redistributables and other files remain **x32ram** exclusive property. You may not distribute any files, except those that **x32ram** has expressly designated as Redistributable.

Subject to all of the terms and conditions in this SLA, you may reproduce and distribute exact copies of **wapi**, provided that such copies are made from the original copy of **wapi** or the copy transferred to a hard disk.

F. **Installation and Use.** The license granted in this SLA for you to create your own compiled programs and distribute your programs, is subject to all of the following conditions:

I.   All copies of the programs you create must bear a valid copyright notice, either your own or the **x32ram** copyright mentioning the use of **wapi**.

II.   You may not remove or alter any **x32ram** copyright, trademark or other proprietary rights notice contained in any portion of **wapi**, source code, Redistributables or other files that bear such a notice.

III. **x32ram** provides no warranty at all to any person, and you will remain solely responsible to anyone receiving your programs for support, service, upgrades, or technical or other assistance, and such recipients will have no right to contact **x32ram** for such services or assistance.

A. **Support Services. x32ram** may provide you with support services related to **wapi** ("Support Services"). Use of Support Services is governed by **x32ram** policies. Any supplemental software code provided to you as part of the Support Services shall be considered part of **wapi** and subject to the terms and conditions of this SLA. With respect to technical information you provide to **x32ram** as part of the Support Services, **x32ram** may use such information for its business purposes, including for product support and development.

B. **Software Transfer.** You may NOT permanently or temporarily transfer ANY of your rights under this SLA to any individual or entity. Regardless of any modifications which you make and regardless of how you might compile, link, and/or package your programs, under no circumstances may the libraries, redistributables, and/or other files of **wapi** (including any portions thereof) be used for developing programs by anyone other than you or your company. Only you as the licensed end user have the right to use the libraries or other files of **wapi** (or any portions thereof) for developing programs created with **wapi**.

C. **Termination.** Without prejudice to any other rights or remedies, **x32ram** will terminate this SLA upon your failure to comply with all the terms and conditions of this SLA. In such event, you must destroy all copies of **wapi** and all of its component parts including any related documentation, and must remove ANY and ALL use of such technology with the next generally available release from any applications using technology contained in **wapi** developed by you, whether in native, altered or compiled state.

D. **Time Limitation**: There is no time limitation on using **wapi** as long as you don't violate this license agreement.

4. **COPYRIGHT.** All title and copyrights in and to **wapi** (including but not limited to any images, demos, source code, intermediate files, packages, photographs, animations, video, audio, music, text, and "applets" incorporated into **wapi**), the accompanying printed materials, and any copies of **wapi** are owned by **x32ram**. **wapi** is protected by copyright laws and international treaty provisions. Therefore, you must treat **wapi** like any other copyrighted material except that you may install **wapi** for use by you, or your company.

5. **GENERAL PROVISIONS.** This SLA may only be modified in writing signed by you and the owner of **x32ram**. If any provision of this SLA is found void or unenforceable, the remainder will remain valid and enforceable according to its terms.

6. **MISCELLANEOUS.**

If **wapi** was acquired outside the France, then you agree and ascend to the adherence to all applicable international treaties regarding copyright and intellectual property rights which shall also apply. In addition, you agree that any local law(s) to the benefit and protection of **x32ram** ownership of, and interest in, its intellectual property and right of recovery for damages thereto will also apply.

Should you have any questions concerning this SLA, or if you desire to contact **x32ram** for any reason, please contact us via our support web pages at https://x32ram.com

7. **NO WARRANTIES. x32ram EXPRESSLY DISCLAIMS ANY WARRANTY FOR wapi . THE PRODUCT AND ANY RELATED DOCUMENTATION IS PROVIDED "AS IS" WITHOUT WARRANTY OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR**

NONINFRINGEMENT. THE ENTIRE RISK ARISING OUT OF USE OR PERFORMANCE OF THE PRODUCT REMAINS WITH YOU.

8. **LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL x32ram OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES WHATSOEVER (INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION, ANY OTHER PECUNIARY LOSS, ATTORNEY FEES AND COURT COSTS) ARISING OUT OF THE USE OF OR INABILITY TO USE wapi OR THE PROVISION OF OR FAILURE TO PROVIDE SUPPORT SERVICES, EVEN IF x32ram HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.**
